

FERNIE ALPINE RESORT

FIVE LEGENDARY BOWLS

Alpine Responsibility Code

There are elements of risk that common sense and personal awareness can help reduce. Regardless of how you decide to use the slopes, always show courtesy to others. Please adhere to the code listed below and share with others the responsibility for a safe outdoor experience.

- 1 Always stay in control. You must be able to stop, or avoid other people or objects.
- 2 People ahead of you have the right-of-way. It is your responsibility to avoid them.
- 3 Do not stop where you obstruct a trail or are not visible from above.
- 4 Before starting downhill or merging onto a trail, look uphill and yield to others.
- 5 If you are involved in or witness a collision or accident, you must remain at the scene and identify yourself to the Ski Patrol.
- 6 Always use proper devices to help prevent runaway equipment.
- 7 Observe and obey all posted signs and warnings.
- 8 Keep off closed trails and closed areas.
- 9 You must not use lifts or terrain if your ability is impaired through use of alcohol or drugs.
- 10 You must have sufficient physical dexterity, ability and knowledge to safely load, ride and unload lifts. If in doubt, ask the lift attendant.

Know the Code - be safety Conscious - it is your Responsibility

CAUTION

OUT OF BOUNDS SKIING

The Lizard Range surrounding Fernie Alpine Resort offers exciting and challenging terrain to the experienced skier. There is a real danger of avalanches outside the ski boundaries. Skiers must be prepared to travel on their own. There is no avalanche control or ski patrol rescue. The slopes are steep and the snow deep, travelling outside the boundary is recommended only for those people experienced and equipped to deal with serious avalanche dangers.
