Slow Zone

Please give priority to beginners when using the slopes. Please ski or snowboard with caution for your surroundings and other slope users, and decrease your speed accordingly.

Caution to Skiers

[Notice to people wishing to ski at this resort]

This ski resort applies the utmost effort to ensure everyone's safety. Please read and understand the following points, and abide by the separately specified "Ski Resort Code of Conduct" in order to avoid incidents. (Snowboarders, please replace "ski" with "snowboard").

1. Skiing is a dangerous activity and involves increased risks, specified below. As an individual, you need to exercise caution in order to avoid them.
 - (1) Risk of changes in weather conditions, e.g. snowfall, snowstorm, rain, fog
 - (2) Risk of changes in the terrain, e.g. cliffs, steep slopes, trenches, swamps
 - (3) Risk of changes in the snow quality or surface, e.g. deep snow, avalanches
 - (4) Risk of natural obstacles, e.g. trees, rocks, exposed ground, waterways
 - (5) Risk of collision with man-made objects such as lift facilities, buildings, snow vehicles
 - (6) Risks associated with use of the snow park
 - (7) Risk of excessive speed when skiing
 - (8) Risk of with falling over
 - (9) Risk of collision with other skiers
 - (10) Risk of fatigue, poor physical condition, consumption of alcohol or medicinal drugs
 - (11) Risks associated with use of unsuitable equipment
2. If you intend to ski outside of the areas controlled by the ski resort, you must read and abide by the "Niseko Rules". Furthermore, you must understand that there is an additional risk due to natural obstacles that are within the controlled areas, but outside any marked trails. Proceed with caution and at your own risk.
3. Parents and guardians: do not leave your children unattended.
4. The ski resort is not responsible for any incidents that occurred as a consequence of ignoring this notice.

If you do not consent to the above, you may not ski at this resort.

[Ski Resort Code of Conduct]

1. Do not injure or threaten others.
2. Control your speed and skiing style such that they are suitable to your personal ability and physical condition, as well as the condition of the terrain, snow and weather. You must be able to stop at any time to avoid danger.
3. Do not disturb the passage of people in front of you.
4. You must keep a safe distance when overtaking.
5. When pushing off, merging, or crossing a trail, look uphill and check that it is safe before proceeding.
6. Do not sit in the middle of the trail. Do not stop in areas that are narrow or cannot be clearly seen from uphill. If you fall, you must quickly move away and not obstruct the trail.
7. When climbing, walking or stopping, use the edges of the trail.
8. Your gear must be fitted with a device (e.g. brake or leash) to prevent runaway.
9. You must not use the resort when it is closed due to e.g. bad weather conditions.
10. You must abide by the notices on notice boards, signs, and public announcements, as well as the instructions of ski patrol or resort staff.
11. If you are involved in an incident, you must cooperate with the notification and rescue activities, and identify yourself, regardless of whether you're directly involved or a witness.

[Caution to Lift Users]

Your conduct affects your safety and the safety of other lift users. Using the lifts comes with duties and responsibilities. Be sure to abide by the following.

When Boarding

Your conduct affects your safety and the safety of other lift users. Using the lifts comes with duties and responsibilities. Be sure to abide by the following.

1. If you're unsure about how to use the lift, please ask a staff member.
2. Wait for the lift at the "Board Here" location, with the tips of your skis or snowboard facing forward.
3. If you've failed to board, move away from the lift quickly.
4. If you're a skier, hold your stocks such that they don't interfere with the person next to you.
5. If you have a backpack, place it on your lap. Be mindful of any laces/straps on your gear or clothing.
6. If you're a snowboarder, make sure that the runaway leash is connected to one of your boots, and that the back of your free binding is folded down.
7. If you're boarding with a small child, you may not place them on your lap or your back. The child must wear a harness in order to board.

When Riding

1. Lower the safety bar, and sit back into the seat.
2. Refrain from the following when riding:
 - (1) Swinging the seat.
 - (2) Jumping off the lift.
 - (3) Engaging in horseplay or sitting facing backwards.
 - (4) Hitting the lift pillars with your gear e.g. ski poles.
3. Do not jump off the lift even if it stops.

When Disembarking

1. When approaching the station, prepare to disembark, and proceed straight ahead after disembarking.
2. If you fail to disembark, stay on the lift.

Please obey the instructions of staff.

[About Uncontrolled Areas]

If you plan on skiing in uncontrolled areas, you must read and abide by the "Niseko Rules". Proceed with caution and at your own risk.

1. OFF LIMIT AREAS are strictly NO ENTRY - AT ALL TIMES.
2. Crossing boundary ropes is prohibited. Those who violate the rules may be refused from using all resorts facilities.
3. No safety control & no patrol beyond resort boundaries.
4. If the gates are CLOSED, do not exit into the terrain beyond.
5. DAILY NISEKO AVALANCHE INFORMATION is OFFICIAL Niseko Rules information.
6. Search and Rescue effects WILL BE CHARGED for incidents outside resort boundaries.
7. Obey Ski patrol's instructions at all times.
8. Children under 12 must refrain from going out of bounds unless accompanied by a proficient adult leader.
9. Niseko Resorts, and the local community respect the freedom of mountain users and place a strong emphasis on THE STAFF USAGE of the mountain.

To contact ski patrol, ask at any lift or facility, or call +81-136-22-3760.
