SPECIALTY ZONES

- Slow Zone
- Family Zone
- Restricted Access

Slow Zones and Family Zones Skiers and riders of varying abilities merge in these high-density areas. Providing others with adequate space and traveling at the same speed, or slower, than other guests is very important. Resort employees may be monitoring these areas to help educate and encourage responsible skiing and riding.

Locate our fun and educational areas through these zones and learn more about safety at Snowbasin.

Restricted Access Enter these expert areas through "Open" area access gates only. It is unlawful to any area designated as "Closed." Avalanche reduction measures within the ski area boundary reduce but DO NOT eliminate the risk of danger.
